**Date: Thursday, March 24th, 2022**  
**Location: HELD REMOTELY Via ZOOM**

This Virtual Meeting is held pursuant to Executive Order N-29-20 issued by Governor Newsom on March 17, 2020 that directs Californians to follow public health directives including canceling large gatherings. The Executive Order also allows local legislative bodies to hold meetings via conference calls while still satisfying state transparency requirements. Executive Order N-33-20, prohibits people from leaving their homes or places of residence except to access necessary supplies and services or to engage in specified critical infrastructure employment.

Note: Pursuant to the Brown Act, Section 54953(b)(2). Section (b) (2) requires that all votes taken during a teleconference meeting shall be by roll call. Any agenda item may be discussed in a different order, if necessary. The Board may take action whether items are listed as action, information or discussion. The meeting is being held solely by remote means and will be made accessible to members of the public seeking to attend and address the Board solely through the phone number set forth below.

**RESOLUTION 2022-07**

**RESOLUTION OF THE HONEY LAKE VALLEY RESOURCE  
CONSERVATION DISTRICT (RCD)**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE HONEY LAKE VALLEY  
RESOURCE CONSERVATION DISTRICT MAKING FINDINGS IN ACCORDANCE WITH AB  
361 AND GOVERNMENT CODE SECTION 54953, AUTHORIZING REMOTE  
TELECONFERENCE MEETINGS OF THE LEGISLATIVE BODIES OF THE HONEY LAKE  
VALLEY RESOURCE CONSERVATION DISTRICT**

**March 24th, 2022**

WHEREAS, all meetings of Honey Lake Valley County Resource Conservation District's ("District") Board of Directors meetings are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950 – 54963), so that any member of the public may attend, participate, and watch the District's legislative bodies conduct their business; and

WHEREAS, Governor Newsom signed AB 361, amending the Brown Act, including Government Code section 54953, subd. (e), that makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953, subd. (b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition of AB 361 is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

WHEREAS, on March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic; and

WHEREAS, the proclaimed state of emergency remains in effect; and

WHEREAS, California Department of Public Health and the federal Centers for Disease Control and Prevention caution that the Delta variant of COVID-19, currently the dominant strain of COVID-19 in the country, is more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (<https://www.cdc.gov/coronavirus/2019-ncov/variants/delta-variant.html>); and

WHEREAS, the District is committed to preserving and nurturing public access and participation in meetings of the Board of Directors and to protecting the health, welfare, and safety of the participants; and

WHEREAS, the Board of Directors does hereby find that the COVID-19 emergency has caused, and will continue to cause, conditions of peril to the safety of persons within the District that are likely to be beyond the control of services, personnel, equipment, and facilities of the District, and deems it necessary to find that meeting in person for meetings of all District-related legislative bodies as well as subcommittees of the Board of Directors subject to the Ralph M. Brown Act, would present imminent risks to the health or safety of attendees, and thus intends to invoke the provisions of AB 361 related to teleconferencing as provided in Government Code section 54953, subd. (e); and

WHEREAS, all teleconference meetings of the Board of Directors of the District and any legislative bodies of the District shall comply with the requirements to provide the public with access to the meetings as prescribed in section 54953; subd. (e)(2).

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Honey Lake Valley Resource Conservation District as follows:

1. Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.
2. The Board finds that meeting in person for meetings of all District-related legislative bodies subject to the Ralph M. Brown Act would present imminent risks to the health or safety of attendees.
3. Staff is directed to return to the Board of Directors no later than thirty (30) days after the adoption of this resolution, or by the next Board of Directors meeting (whichever comes first), with an item for the Board to consider making the findings required by AB 361 in order to continue meeting under its provisions.
4. The District Executive Director is hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, conducting open and public meetings in accordance with Government Code section 54953, subd. (e), and other applicable provisions of the Brown Act.

THE FOREGOING RESOLUTION WAS DULY AND REGULARLY ADOPTED by the Board of Directors of the Honey Lake Valley Resource Conservation District at its special meeting held on the 24th day of March 2022, by the following vote:

Adopted on following motion by Director \_\_\_\_\_ seconded by

## AB 1902 (Aguiar-Curry)

### Q&A

#### 1. Why is CARCD proposing this bill?

CARCD has been engaged in an effort to update Division 9 for over five years as part of our long-term strategy for baseline funding and capacity funding. The proposed changes in AB 1902 have been driven by conversations with RCDs and we have engaged partners like DOC, CSDA, and CALAFCO.

The last meaningful update to Division 9 took place in the 1970s and RCDs have evolved quite a bit since that time and are pushing the envelope on activities RCDs are undertaking regarding their statutory authority. This has been called out by the LAFCO in San Diego and was a main reason why the LAFCO paused their Municipal Service Review of the San Diego County based RCDs.

More important than responding to LAFCOs, RCDs are often passed up by legislators or questioned as to whether we are the right entity to be included in legislation after legislators read our outdated code. We are missing out on opportunities. The proposed updates in AB 1902 clearly spell out the role of RCDs in achieving the state's conservation goals and responding to the natural resource challenges facing California, principally addressing climate, habitat, drought and other critical challenges.

#### 2. Where is the bill in the process?

The bill is just starting out and is scheduled to be heard in the Assembly Local Government Committee, which is chaired by Assemblymember Aguiar-Curry, the author of the bill. Should the bill pass the Local Government Committee, the bill would then likely be heard in Assembly Appropriations Committee sometime in May and then on the Assembly Floor at the end of May.

From there the bill would head to the Senate where it would be heard in the Senate Governance & Finance Committee sometime in June, Senate Appropriations Committee in early to mid-August and then on the Senate Floor in the latter half of August.

This is the first step in a long process.

#### 3. Is this hearing the only opportunity for my RCD to weigh in?

No! As noted above, AB 1902 is at the first step of the legislative process. There is time to continue working on the language and vet new amendments to the language in print or other sections of Division 9.

Further, positions by individual RCDs can be taken later in the process if more time is needed for board input.

It is very common and expected in the legislative process for language amendments to happen throughout the process.

#### 4. How does the bill change Department of Conservation's authorities?

### **Sections 1 & 2 of the bill:**

Current state requires the department to undertake several activities including:

- providing soil conservation advisory services to local governments, RCDs, landowners, farmers and ranchers
- Be a state level liaison to RCDs
- Review CEQA documents

AB 1902 would change this from a mandate on DOC to a permission, but more importantly provides new authorities to DOC to provide a range of assistance to RCDs, such as financial, technical, organization and capacity.

Further, the bill updates the role of DOC in providing advice and coordination on activities of conservation importance across the state.

### **Sections 3 & 4 of the bill**

AB 1902 would explicitly authorize DOC to provide advance payments to RCDs and create a new mechanism to provide grants or local assistance to RCDs so that PRC 9084 is no longer the only pathway in statute for DOC to provide grants to RCDs.

In addition, the bill authorizes DOC to enter into interagency agreements with RCDs. We are working on amendments to explicitly authorize RCDs to enter into interagency agreements with any department/agency of the state.

### **5. Does the bill create an unfunded mandate on RCDs?**

No! The changes proposed to PRC 9413 (Section 9 of the bill) do not create an unfunded mandate as the language is still permissive as to RCDs creating long-range and annual work plans as well as annual reports. The language does not require RCDs to create those documents.

The amendments do require those plans and reports to meet certain requirements should an RCD create them.

### **6. What other changes are proposed to Division 9?**

There are several changes proposed, the following breaks down the changes section by section.

#### **A. Section 5 of the Bill**

AB 1902 proposes to delete PRC 9084, the current grant program DOC can use to provide funds to RCDs. We have heard loud and clear that 9084 is problematic due to the local match requirement in (b)(3). This section requires that any RCD receiving a grant from DOC has a 25% local match requirement- even for capacity building funds to underfunded RCDs. After consultation with DOC, we have learned that DOC is providing Prop 68 grants through PRC 9084, so we will be bringing this section back but deleting the local match requirement.

#### **B. Section 6 of the Bill**

PRC 9151 states that RCDs may be formed for the control of runoff, the prevention or control of soil erosion, the development and distribution of water, and the improvement of

land capabilities. This language was last updated in 1975 and does not reflect all the important work RCDs are doing on the ground.

Our understanding is that many RCD activities can be covered under “improvement of land capabilities” a broad and vague statement. New activities may not be covered by even this language, such as home-hardening for wildfire resilience. Equally important, the updates and additional language stake a claim as to the role of RCDs and put in statute that RCDs are the on the ground leaders the state should turn to for this work.

**C. Section 7 of the Bill**

Aligns the purposes of what lands may be included in a district to the new language in 9151.

**D. Section 8 of the Bill**

Simplifies the statute to say that lands in a district do not need to be contiguous.

**E. Section 9 of the Bill**

See the answer to question 5.

**F. Section 10 of the Bill**

Clarifying language for adding lands to a district

## Community-Based Prescribed Fire Capacity Building - Request for Proposals

This request for proposals (RFP) is geared towards the development and growth of Prescribed Burn Associations (PBAs) and community-led prescribed fire groups across California. Please note that your group does not need to be a formal PBA in order to apply for funds. The term "PBA" will be used generically throughout this RFP, and includes all community-led prescribed fire groups.

Please only submit one RFP per PBA or community-led prescribed fire group.

### RFP Schedule:

The deadline to respond to the RFP and submit required documents is Tuesday, April 5th, 2022 by 11:59 pm Pacific Time. Proposals will be reviewed within three weeks. If awarded, funding will be available from mid-May 2022 through July of 2024.

There are 5 sections to this RFP.

Section 1. Basic Information (required)

Section 2. PBA or Community-led Prescribed Fire Leadership Funding (optional)

Section 3. PBA or Community-Led Prescribed Fire Peer Mentor Funding (optional)

Section 4. PBA or Community-Led Prescribed Fire Training and Travel Funding (optional)

Section 5. Budget request (required)

This RFP is for three types of funding (listed above in sections 2, 3 and 4). You are NOT required to apply for all three types of funding.

Funding is provided by the Watershed Research and Training Center through the Regional Forest and Fire Capacity (RFFC) program, which is part of California Climate Investments, a statewide program that puts billions of cap-and-trade dollars to work reducing greenhouse gas emissions, strengthening the economy and improving public health and the environment –particularly in disadvantaged communities.

## Section 2. PBA Leadership Funding

This RFP is supporting 4-10 PBAs up to 0.5 FTE funding for PBA leadership time (including fringe/fully benefited costs). This funding is meant to build local capacity and continuity, and is focused on development and planning - not implementation.

Examples of PBA Leadership Funding include funding someone to coordinate, visit burn units, mentor landowners on burn planning and permitting, hosting meetings and trainings, talk with media, share on Podio and other social media outlets, and develop and maintain partner relationships related to prescribed fire.

Is your group applying for PBA leadership funding? If yes, continue answering questions in this section. If no, please skip to the next section. \*

Who is this funding for?

Your answer

What, if any, organization do they currently work for?

Your answer

Please tell us a bit more about this person. Are they currently a leader of the PBA? Is there current funding for their role as a leader? What is their experience with prescribed fire? What is their experience with community leadership?

Anything else you'd like to add.

Your answer

Add a list of activities you plan to do with this funding, and one or more deliverables associated with each activity, for Year 1 and Year 2. Please be specific.

Your answer

### Section 3. PBA Peer Mentorship Funding

This RFP is supporting 2-6 PBA Peer Mentors up to 0.25 FTE (including fringe/fully benefited costs).

There are some PBA leaders who have exceptional experience in PBA development and organization and bring unique skill sets to the table. These Peer Mentors will assist other PBAs that have similar attributes. Attributes may include close geographic proximity, fuel types, or partnerships (USFS, Fire Safe Councils, etc.). We believe it is important to support Peer Mentorship with funding, so cross training among PBAs continues to happen and is encouraged.

This funding is meant to fund experienced PBA leaders who would like to mentor other PBAs. Examples include funding experienced PBA leaders to share documents and resources regarding PBA development with other PBAs, to answer questions about the USFS / PBA relationships and how other PBAs can develop USFS relations, etc. The PBA Peer Mentors will be working closely with WRTC PBA Coaches for guidance and to ensure alignment.

Is your group applying for PBA peer mentorship funding? If yes, continue answering questions in this section. If no, please skip to the next section. \*

Your answer

Please tell us a bit more about this person. What is their experience with PBA development and leadership? What is their experience with prescribed fire? Do they have experience mentoring PBAs outside their area? Anything else you'd like to add.

Your answer

How does this person see themselves filling a PBA mentorship role over the next 2 years?

Your answer

Add a list of activities you plan to do with this funding, and one or more deliverables associated with each activity, for Year 1 and Year 2. Please be specific.

Your answer

#### Section 4. PBA or Community-Led Prescribed Fire Training and Travel Funding

This RFP is supporting requests not to exceed \$10,000 per PBA for training and travel support. This portion of funding will support PBA or Community-Led Prescribed Fire group leaders and active members to attend Cal-TREX events, TREX events, peer learning opportunities, NWCG courses, or CARX class.

This can include course tuition, attendance time, and travel funding support. Travel must comply with state travel guidelines, which can be found on <https://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx>. Travel can include mileage at the state reimbursable rate, and lodging based on the rates in the link provided.

Training investment should continue to be made into active and engaged PBA members who attend trainings, prescribed fires, and Cal-TREX events.

Is your group applying for PBA or Community-Led Prescribed Fire Travel and Training Funding? If yes, continue answering questions in this section. If no, please skip to the next section. \*
